Contact & Enquiries

Ingredient information in this catalogue is an indicative direction, not a final formula or INCI declaration. Specifications, MOQ, packaging and documentation vary by product and manufacturing partner. Final formulations and claims are confirmed with qualified technical and regulatory review for each destination market.

PRODUCT CATEGORY

Herbal Personal Care

A considered herbal range developed with Neem, Tulsi and Aloe Vera extracts. The formulations support effective cleansing, hydration and daily care without relying on harsh ingredients.

PRODUCT RANGE

- Herbal Face Wash & Cleansers
- Herbal Serums
- Herbal Face Creams & Lotions
- Herbal Face Packs & Scrubs
- Herbal Hair Oils
- Herbal Shampoos & Conditioners
- Herbal Hair Masks
- Herbal Soaps
- Herbal Body Care
- Herbal Massage Oils

SIGNATURE INGREDIENTS

Neem
Traditionally valued for its purifying properties in skin and scalp care.

Aloe Vera
Provides light hydration and helps comfort dry or irritated skin.

Tulsi
A respected Ayurvedic botanical used in cleansing skin and scalp formulations.

Featured products

Herbal Face Wash

INDICATIVE BOTANICALS

· Neem, selected for a clarifying cleansing direction
· Aloe vera, included for skin-comfort and hydration support

TYPICAL FUNCTIONAL BASE

· Aqua with a mild surfactant system
· Glycerin and panthenol as humectant and conditioning support

Herbal Serum

INDICATIVE BOTANICALS AND ACTIVES

· Aloe vera and rose extract for a hydrated, calming skin feel
